- b. 'You' means the recipient of the Card;
- c. 'Pays' means Apple Pay or Google Pay;
- d. 'Karta App', means the application/App on a mobile phone or wearable device that allows you to store a Card to the Device; and
- e. 'Mastercard Digital Gift Card', 'Gift Card' and 'Card' means the Mastercard Digital Gift Card & Pays-enabled Card issued by 545490 Pty Ltd, ABN 83 648 605 225 trading as Karta Co ('Karta') and distributed by 545490 Ops Pty Ltd.

Background

By allowing the addition of the Card into your Pays-enabled Device, you agree to be bound by these Terms and Conditions. You also acknowledge that you have read and understood our Karta Privacy Policy, available at <https://www.karta.com.au/privacy>.

How the Card works and where you can use it

1. The Mastercard Digital Gift Card is a Mastercard prepaid gift card that can be used for purchasing goods and services, where the Card is accepted for electronic transactions (excluding transactions at ATMs or over the counter at financial institutions). The Card can be used like a debit card and cannot be linked to any deposit account. Please note, some merchants may choose to not accept the Card.
2. The Card cannot be used to make transactions that exceed the Card's available balance. To complete such a transaction, you will need to pay the difference by another method, if the merchant agrees.
3. The Card is not reloadable and may be subject to value limits. It is only valid and useable until the expiry date shown on the Karta App. Both the Card and the value on the card has an expiry (usually between 12 to 36 months from date of activation).
4. Once issued to You, the Card must be activated by using a 6-digit code used for verifying your Karta App and/or during an identification verification check ("Activation Code"), within 60 minutes of receiving the code. If you do not enter the code in time, you can request a new code to be sent.
5. The Card can only be used subject to the merchant's terms and conditions. Authorisations may be declined at some merchants (such as gambling merchants or merchants who we choose or those that do not to accept the Card). We are not liable in any way when authorisation is declined for any particular transaction, except where the authorisation has been declined because of an act or omission on our part.

Fees

6. We will not charge any fees for using the Card. However, some merchants may charge you for using the Card and such fees may be deducted from the balance of your Card at the time of the transaction.

Your Obligations

7. You are responsible for all transactions on the Card, except where there has been fraud or negligence by our employees or agents. If you notice any error relating to the Card, you should immediately notify Customer Service by sending an email to support@karta.com.au.
8. If you have a problem with a purchase made with the Card, or a dispute with a merchant, you must deal directly with the merchant involved. If you cannot resolve the dispute with the merchant, you can contact Customer Service by sending an email to support@karta.com.au.
9. You are responsible for checking your transaction history, knowing the available balance, date of expiry and pin for the Card, all of which is available to you on your Karta App.

Liability

10. We are not liable in circumstances where you have other cards stored on your Device for payment and you inadvertently use a different Card when using your Device as a payment method. You must ensure that you select the correct card prior to using your Device as a payment method. We note split payments online or via physical POS payments are dependent on merchant discretion. Karta Ops is not liable in circumstances where split payments are not accepted.
11. We are not liable for:
 - the use, functionality or availability of a Device, the availability of merchants who allow the use of the Card as payment, or a reduced level of service caused by the failure of third-party communication and network providers (except to the extent deemed liable under the ePayments Code); and/or
 - temporary interruptions in service due to failure beyond their control including, but not limited to, the failure of interconnecting operating systems, computer viruses, forces of nature, labour disputes and armed conflicts.
12. We are not liable for transactions on your Card if:
 - your Device security measures are compromised;
 - where you allow others access to, or the means to access, your Device; or
 - any other circumstances in which you allow others to circumvent the security measures of your Device.
13. To the extent permitted by law, we:
 - exclude all statutory or implied conditions and warranties and any other liability we may have to you (including liability for indirect or consequential loss) that may arise under statute or at law, including, without limitation for breach of contract, in tort (including negligence) or

under any other cause of action howsoever arising out of, or in any way related to, the use of the Card and our goods and services;

- limit our liability under any condition or warranty which cannot be legally excluded in relation to the supply of goods or services to (at our election) replacing the goods or services or supplying equivalent goods or services again; and
- make no warranties or representations about our goods or services or the content related to our goods and services, including but not limited to warranties or representations; that such content will be complete, accurate or up-to-date or that access to the Card or related services will be uninterrupted, error-free or free from viruses.

Our Rights

14. We may restrict, halt or stop the use of the Card if suspicious or illegal activities are noticed.

Refunds

15. Any refunds on Card transactions are subject to the policy of the specific merchant. Refunds may be in the form of applying a credit to the Card, cash refund or in-store credit, which is at the Merchants discretion. If the Card expires or is revoked before you have spent any funds resulting from a refund (whether or not the original transaction being refunded was made using the Card) then you will have no access to those funds. Refunds will not be provided for accidental or negligent purchases.
